Distribution Group Leader- Woodbury/Fridley, MN
Operations Intern- Woodbury/Fridley, MN

Lime Connect partner, Google, is focused on providing students with the ability to work on the same cool things that Googlers work on. Lime Network members are encouraged to apply for these development programs: Google BOLD Discovery, Google AdCamp, and Google CSSI.

To learn more and apply, please visit [The Lime Network](#).

Development Programs for Students

BOLD Discovery (Freshman)

BOLD Discovery is a three-day interactive conference at Google New York that provides first-year students who are traditionally underrepresented in the technology industry an introduction to our organizational structure, business operations and culture. The deadline to apply is **Sunday, March 16.**

Google AdCamp (Juniors)

AdCamp is a two-day program that is open to current third-year students interested in online advertising. The deadline to apply is **Sunday, March 16.**

Computer Science Summer Institute (High School Seniors)

CSSI is a three-week residential program at one of three Google offices (Mountain View, Cambridge or Seattle) that offers an introduction to computer science with a passion for technology. Deadline to apply is **Monday, March 17.**

These opportunities are open to Lime Network members (students with visible and invisible disabilities). Friend of the Lime Network? Click [here](#). This opportunity is open to U.S. students only. For more information on Lime Connect opportunities in Canada, please click [here](#).

Lime Connect is leading the way as the premier resource for top talent in the disability space by attracting, preparing and connecting highly accomplished individuals with disabilities for careers with the world's leading corporations. Our goal is to break stereotypes and lead all companies to realize the importance, and value, of employing people with disabilities at every level of education, talent and ability.
